The unexpended balance from the special appropriation is available in bank interest still on deposit.

The trustees of Ingalls Memorial Library take pleasure in reporting the installment of a new American Radiator heating system, which is proving quite satisfactory in giving the desired warmth and comfort during the winter season and is making the library a most attractive place to visit for borrowing books or to spend a leisure hour.

In preparing for the new heater, it was discovered that the chimneys were both in an unsafe condition, so that it was necessary to spend a considerable sum of the Town's special appropriation in having them rebuilt, which left us without enough funds to install a water supply for use in the new boiler. For that reason we wish to ask for a further appropriation of money to complete the job as well as to take care of several smaller repairs which seem immediately necessary, one of which is the recaning of a number of the library chairs, which is already in the process of being done. The old furnace is still on hand in the basement awaiting a purchaser.

A very fine new bulletin board has been added to the library, a gift of one of the trustees, and the workmanship of a summer resident, Mr. Charles O. Cowan.

We feel that the library is a great addition to our Town and we wish to thank the citizens for their co-operation in helping to keep it in good condition. We also wish to thank those who have so generously contributed magazines and books, Mrs. Stanwood, Mrs. William Cleaves, Mrs. Clifton Buzzell, Mrs. Richards, Mr. Minor Day, Miss Morgan and Mrs. Allen. And may we again express our appreciation to Miss Morgan for her continued interest and successful work as librarian and Mr. Barrett for his constant watchfulness and care of the library.

## Exchange of books with W. R. Branch Library:

Loaned	149
Borrowed	58

The several improvements which the townspeople have so generously allowed at the library, give us a feeling of up-to-date-ness and progressive activity. The new heater has dispelled all thought of uncomfortable temperatures and the bulletin screen is so well adapted to spread news items of all kinds. The chairs, with their newly caned seats, were recently returned and were just in time to accommodate the class of boys who were studying the stereographs of India. The stereoscope has proved quite popular with the school children in connection with their lessons and has been enjoyed by a few adults. It is hoped that still more will avail themselves of the opportunity to travel by means of the three dimension photographs.

On "Old Home Sunday," August 1st there were a goodly number of visitors who came to the library, some to renew old associations, some to enjoy the collection of treasures in the museum. Visitors to the museum during the year number 104, not including the many repeated ones of our own people. The statistics above will show a slight increase in circulation over that of last year and a very small number of lost or disabled books, this last record reflecting in general, careful use and return of borrowed property.

Your librarian starts the year with optimism and with a stronger realization than ever of how far reaching may be the influence of a good library.

Respectfully submitted,

ALICE L. MORGAN, Librarian

## EXCHANGE OF BOOKS WITH INGALLS MEMORIAL LIBRARY

Loaned	58
Borrowed	149

The report of the book circulation for the past year with its 20% increase over that of the previous year is most gratifying. We, no doubt, owe some of this gain to one of our new trustees, who in the absence of available funds from the M. L. Ware estate, has generously supplied us with a large number of new books, both for juvenile and adult readers. The new juvenile books include a complete set of the "Twin books" by Lucy Fitch Perkins, which is a fine addition to our library. The adult books are largely fiction and will fill quite a gap in that department. Since they have only recently arrived and have not all been accessioned, the total number will not show in the above report. Another group of books was given by Miss Marion Hyland, a former summer resident.

Come often and enjoy the benefits of the Branch Library. It not only serves as a place for borrowing books, but as a happy meeting place for friends, or a warm cozy spot in which to browse among literary companions.

The trustees appointed under the will of Miss Mary Lee Ware are Mrs. Amy P. Davol and Mr. Charles E. Ware.

Respectfully submitted,

ALICE L. MORGAN, Librarian

## FINANCIAL REPORT OF MEMORIAL DAY 1938

### RECEIPTS

Memorial Day celebrations eventuated in pleasant sequence this year, all celebrants passed a pleasant day.

The children assembled at 9:45 A. M. and furnished with wreaths and flowers, by Mrs. Whippie and friends, marched under the martial strains of the Rindge Band, to the accustomed spot, in the old cemetery, where prayer was offered, by the Rev. Mr. Proudfoot. At the boulder, on the Common, the children discoursed pieces of music and recitations taught them by the teachers of the schools. In the Hillside Burial grounds the usual D. A. R. service followed and at 11:45 A. M. the National colors were displayed by Mr. J. B. Rice, and the flag salute ended the morning's proceedings.

At 12 o'clock noon, lunch was served to young and old in the Town Hall, and at 1:30 P. M. the Memorial Service, under the Presidency of Mr. A. J. Wellington, commenced, in the Church, at which an appropriate address was given by Mr. Duncan, of Jaffrey and a suitable duet was sung by Mrs. Carl Converse and Miss Wilma Hale. At all these proceedings the Rindge Band played patriotic selections most tastefully.

The Committee wish to thank all who so willingly and efficiently contributed to the success of the day's proceedings by articles contributed and assistance rendered.

## REPORT OF SCHOOL NURSE

Beginning in September, each pupil was inspected for symptoms of skin disease, scalp, teeth, throat infections, and general physical hygiene. The following defects were found:

Pupils examined	70
Underweight 10%	7
Defective vision	1
Defective teeth	37
Diseased tonsils	3
Defective breathing	1

### Corrections

Defective vision	1
Diseased tonsils	4

A very successful school dental clinic was held in December, 1937. The dental clinic rates are greatly reduced and transportation problems eliminated; otherwise, many of the children would be unable to have their work done. If it were not for the school dental clinics, many children would never have any dental care.

A report of the work done is as follows:

Pupils treated	24
Cleanings	19
Temporary extractions	12
Permanent extractions	2
Amalgam fillings	12
Porcelain fillings	31
Receiving complete care	24
Receiving free care	11
Paying full cost	11
Paying part cost	2

Pupils received 100% dental certificates. Dr. J. H. Grimes was the dentist.

Eight pupils were inoculated against diphtheria Sept. 21, 1937, at a clinic sponsored by the State Board of Health.

During the past year the school nurse made 49 school visits, 30 home visits, 19 official visits, 7 welfare visits, 5 hospital visits, and 2 business calls.

Treatments in school and in homes, 8. Three cases of scabies and 4 cases of pediculosis were supervised until corrected.

Cod Liver oil was served in school through the cold weather. Tooth brushes were furnished at cost (10c) each.

Days allotted as per annual schedule, 15.

Days worked by the nurse, 19 $\frac{1}{2}$ .

I thank the Superintendent, the members of the school board, the classroom teachers, parents, pupils and all others for their support and cooperation in making the health work a success.

Respectfully submitted,  
MARGARET E. HARRIS, R. N.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

I submit my twentieth annual report, it being the thirty-fourth in the series under union supervision.

The enrollment of the Rindge schools for the first twelve weeks of the present school year is eighty-four. For the school year 1936-1937 the enrollment was seventy-seven. The largest increase in membership has been in the Center Grammar School, while there has been a decrease of six in the Primary School.

Three changes occurred in the teaching force. Miss Louise N. Hatch of Milford succeeded Frances Austin at West Rindge; Miss Palmina Quintilio of Keene was elected to succeed Marjorie Carver who accepted another position, and Miss Dorothy J. Sawyer of Antrim was chosen to succeed Marion G. Brown, who accepted a school in her home town of Troy.

All the candidates chosen were graduates of Keene Normal School, Class of 1937.

Miss Hamblet again has charge of the upper grades. Mrs. Stebbins is continuing her work as music supervisor in all the schools, and Miss Margaret Harris of Keene is carrying on the work of school nurse.

The report of Miss Harris to February 1st is submitted at this time.

During the summer vacation a new floor was laid in the upper room at Rindge Center, and movable furniture installed similar to that secured for the primary room last year.

This arrangement allows the use of the room for school activities that could not be conveniently arranged in a room with stationary desks and chairs.

During the fall term improvements were made in the toilets in West Rindge and East Rindge.

The work of the schools is being carried on with encouraging results. All the new teachers have shown deep interest in their work, and have readily adjusted themselves to their new positions.

We have the opportunity, in our schools, of embodying democratic principles in the everyday life of our boys and girls. This can be done by making the school a place where groups of children voluntarily participate in enterprises where they shape

plans, carry responsibilities, and judge results under the guidance of teachers who know that social efficiency comes only through actual experience in group work.

It is our aim to give our teachers support and help in solving the many problems that develop in school life.

I wish to thank the school board, teachers, pupils and parents of Rindge for their cordial support and co-operation.

Superintendent of Schools
